Sir:

Pursuant to 37 C.F.R. § 1.133 and MPEP 713.04, Applicants submit this Statement of Substance of Interview in connection with the telephonic interview of April 26, 2006 between Examiner Michele Flood and Applicants' representative Ann Chen in connection with the above-identified application.

During the telephonic interview, Applicants' representative informed the Examiner that the Notice of Allowability mailed on April 10, 2006 contains two typographical errors under the section entitled "Examiner's Amendment." In particular, Applicants' representative informed the Examiner that under the heading of "IN THE CLAIMS," the Examiner's amendment of claim 13 should read "In Claim 13, line 2, after 'comprising administering to a subject,' insert -- in need thereof --" instead of "In Claim 13, line 1, after 'comprising administering to a female subject,' insert -- in need thereof --". In response, the Examiner mailed a new Notice of Allowability on May 19, 2006 reflecting the correction to the "Examiner's Amendment" section.

Applicants respectfully request entry of the foregoing remarks into the file history of the above-identified application. It is believed that no fee is due in connection with this Statement. However, in the event any fee is required, please charge the required fee to Jones Day Deposit Account No. 50-3013.

Respectfully submitted,

Date: June 13, 2006
